Proceeds will benefit the Mepham High School Senior Service Learning Projects partnership with Building Homes for Heroes.

Since 2006, Building Homes for Heroes® has been at the forefront of making a significant difference in the lives of wounded American service members and their families. The organization gifts mortgage-free homes that meet the needs of the men and women who have selflessly served our country. These homes not only help to remove the family's financial burden, they help to restore the individual's freedom, and enable the veteran to lead a more independent and productive civilian life.
