Why You Should Be a Member

Although there are many things your support allows the Alumni Association to do that benefits our alumni and the school, one of the direct big benefits for our members is receiving the 32-page magazine *Scuttlebutt*.

Each issue holds many features: the responses to our annual *Ex-Crew* question; information about our alumni—their activities, achievements, anniversaries, etc. There are reports on recently held reunions; on the *Who's Who* and *Meritorious Service* honorees; messages from the Alumni Association President and the Mepham principal; the listing of the scholarship awards we give to graduating seniors. There is always information about the accomplishments of today's students and faculty; plus interesting articles [the last issue told of the plans for Jones Beach's rejuvenation]. And there are always tons and tons of pictures, including nostalgic "flashbacks."

So, we hope you will take the opportunity and time to fill in the membership form at the end of this issue and joins us. We really believe you will enjoy receiving *Scuttlebutt*.

P.S. For a more complete idea of what the Alumni Association does for you and the school, go to *What We Do* on page 3.

Include first and last names of all attending (for name tags) plus graduation year (and name at graduation if different). Reservations and prepayment required by **April 12**. Questions? contact Brian Levy, BELLOBL@aol.com, 516-781-4966.

Should the All-Class Pirates' Picnic Live or Die? Last Call!

Each year the attendance at the picnic has been diminishing (43 this year). The cost of holding the location has gone up. There is an effort necessary to get the reservation for the gazebo, set up a sign-in table, start the charcoal for cooking, bring Mepham merchandise for sale, etc. The board is trying to decide whether it is of enough interest to our alumni to continue sponsoring the event in the future, considering the cost and the time required to prepare for it. [Doris Christmann makes the early cold run in February to get the reservation, then sets up the table at the picnic. Kevin Gallagher is in charge of the ice and charcoal, getting the grills working, and bringing Alumni merchandise.] So, the decision is up to you, our alumni.

Do you want the picnic continued enough to come? It started largely as a request to hold an annual reunion. Some alumni come regularly every year. Some have used it as a convenient place and time to hold a reunion for their class. There is always good conversation, and we have been pretty lucky with the weather (knock wood). We can add features if we knew what you want. Games? What would attract you? Tell us.

Just know that this is the "shot across the bow." If the turnout is poor this next September, it may very well be the last time the All-Class Pirates' Picnic will be offered. Your choice. Your opportunity.

President's Message

Welcome to 2015. A new year often evokes a feeling of renewal and change in one's life, and that is my personal goal for 2015. Changing what has always been done; thinking "out of the box;" taking a risk; or investigating new possibilities can be very uncomfortable—yet very rewarding—and that's exactly my vision for the Mephram Alumni Association. I invite you to join me in my endeavor.

The alumni association is losing board members by attrition. I am afraid that soon we will not have the volunteers necessary to maintain the organization. **We need people with fresh ideas to become active alumni. So, we have some ideas that might interest you.**

- Do you like to spend time on the computer? How about helping to maintain our data base?
- If you have writing skills that you would like to put to use, we have two annual publications, *Quarterdeck* and *Scuttlebutt*, just waiting for articles to be written.
- Do you like to proofread? The publications need good proofreaders. Also reporters.
- Are you organized? Do you love memorabilia? Our historian would welcome help decorating the showcases with "pirate treasures" that are donated to us.
- Do you enjoy reunions? Would you like to be involved when classes arrange for their own?
- Do you like to collaborate with others and share ideas? If so, come to a board of directors' meeting at 7:30 on the 3rd Wednesday of the month (see schedule on page 10).
- Do you enjoy taking a walk, watching sports, and socializing? Join the alumni group at the Mephram Homecoming Parade, watch Pirate football, and relax with alumni after the game at a local pub with a cold beer.

Regardless of whether you are a retiree, soon-to-be retiree, or a more recent graduate, these are some of the rewarding and fun experiences you can have as an **active Mephram alumnus**. If you enjoy the camaraderie of people who want to share their love of Mephram High School, and would be willing to help preserve our alumni association, please contact me at Pres@Mephram.org.

Best wishes for a happy, healthy New Year . . . and make that resolution to investigate new possibilities as an active Mephram Pirate.

Regards,

Carol Farina Kilgallin '72

Editor's Note

I have tried, in this issue, to give you a small sample of what is in *Scuttlebutt*, which isn't so limited with space as this. You see, I want you to be a member of this wonderful organization; to receive the magazine, to get involved in its activities. I know, for me, it has been a most rewarding time.

If you enjoy reading this, just think how much more fun you can have, being involved. Think we are pushing too hard? We want more of you to share the satisfaction we get by being "in" on the current world of Mephram.

Again I thank my "crew," particularly Jerry. Without his help I could not put this out. He sets it up for me, works to make all the photos "shine," and gives his support in so many ways.

What We Do

(Starting in 1979)

Scholarships

We have given \$335,560 in awards to students. See mepham.org/scholarships.html.

Gifts to Mephram High School

We have provided \$169,594 in building improvements and gifts to the school. See mepham.org/gifts.html.

Reunions

We provide guidance on how to run reunions, mailing lists, labels, and announcements of upcoming reunions. See mepham.org/reunions.html.

Website

Our website, mepham.org, gives a complete picture of our organization and the high school. It includes the lists of alumni we are searching for, the history of Mephram and its alumni, and much more.

Who's Who

We yearly honor Mephram alumni who have achieved significant accomplishments in their field of work and performed significant volunteer service to the community. The list of past honorees is at mepham.org/whoswho.html.

Publications:

We tell you what's going on with our alumni.

We tell you what's going on at Mephram.

Scuttlebutt is our 32-page annual magazine that is sent in the summer to all 3,100 paid members of the Mephram Alumni Association. For a sample copy see mepham.org/scuttle-2012-1.pdf

Quarterdeck is our 12-page annual newsletter that is sent in the winter to all 18,300 Mephram alumni in our mailing list.

Jones Beach Update

On a sunny, cool day in September, I took Frank Merklein '40, who was visiting from Florida, to Jones Beach. Only two parking lots were open, and only 5 cars in Field 4. Walking up the nicely flowered path to the Central Mall, there was one person weeding, only a few people on the boardwalk, two bicyclists, and no food provider opened other than the basic one in the concession.

While there I was intrigued by some things that looked like covered pedicabs [example shown], and wondered if they were going to be part of the scene this coming summer.

Reports are that Jones Beach is not only largely back to its original state before Sandy, but better. The old pine boardwalk that was destroyed has been replaced with Brazilian hardwood which should be able to withstand a big storm. The infrastructure has been redesigned and upgraded so the electrical system can withstand being inundated with saltwater. Repairs have been made to the sewage treatment plant, fishing pier, lifeguard schackes, restaurants, and administrative offices.

We will have better information about what will be available for next summer in the next issue of *Scuttlebutt*.

Clare Eastwood Worthing '46

There is always a lot of information about activities at Mephram in *Scuttlebutt*, but all too often those early fall events are overlooked. Here, with more on page 5, is some information on recent happenings:

Mephram Football Honors its Past

Five games into the season Mephram's explosive offense featured more rushing (18) than passing (8) touchdowns. So it was appropriate that two former Newsday Tom Thorp (outstanding football player in Nassau County) winners, running backs Bill Sandie '55 and Amos Zeroeoue '95, were selected as co-Grand Marshals for the 2014 Homecoming. Sandie and Zeroeoue turned in outstanding performances throughout their career against defenses specifically designed to stop them, and then both went on to play in the National Football League.

Proto, Zeroeoue, Carol Farina Killgallin '72. Sandie photo from Vin Proto

Going into game 6, homecoming vs. Westbury, Mephram (4-1) had been powered by senior quarterback Tyler Davis (13 rushing TDs/8 passing TDs). An All-Long Island second team selection in 2013, Davis had accounted for 511 yards against Elmont in Week 3, No. 2 all time for single-game all-purpose yards in Long Island history. "We play a barnburner with them last year," head coach Anthony Cracco said of Mephram's 62-38 win over Westbury in 2013, and to extend the winning streak to five he added, "we need to bring our 'A' game."

With Sandie and Zeroeoue watching this up-tempo offense Mephram quickly broke out to a 21-0 first quarter lead. In the second quarter Westbury scored three times, but the Pirates countered with two TDs, the last one a Davis two-yard run with 51 seconds remaining for a 35-18 halftime lead. In all, Davis ran for two scores and threw for two more as Mephram secured its fifth win, 52-18.

Vin Proto '70

P.S. Mephram had an overall record of 6-3, including a 34-27 playoff loss to Long Beach. Tyler Davis was one of LI's best 2014 football players, finishing 9th in rushing touchdowns [21] and 6th in rushing yardage [1,552], also 14 touchdown passes.

Kevin Burns jumps for joy when he learned he was Mephram's Homecoming King. Lisa Condolucci, second from right) was chosen as Homecoming Queen.

Classes of 1960-1961 – 55th Reunion

The Mepham classes of 1960 and 1961 will be holding a joint reunion in 2016. Once again the Calhoun classes of 1960 and 1961 will also join in. If you would like to participate or have questions, please e-mail either Brian Levy '60, Bellobl@aol.com, or Seth Poppel '61, sethpoppel@aol.com

Classes of 1965-1966 – 50th Reunion

Sat. August 15, 2015; Mill River Manor at Best Western, Rockville Centre; Friday night there will be an informal gathering. If you haven't returned the questionnaire that was in the mailing, do it NOW! A second mailing will ask for a deposit to hold your reservation. For more information please contact Lynn Setteducati Bible at 516-221-3673, or Doris Christmann at 516-781-1910.

Class of 1967 – 50th Reunion

Plans being developed for an unforgettable and exciting weekend sometime in warm weather months of 2017; group now meeting (next one this March) and would welcome more participation; working on Missing Classmates list [see on www.mepham.org]; open to ideas and help, even if you are far away; contact Gail Hochberg, ghochberg67@msn.com, or Dave Krinsky, DocKrinsky@aol.com.

PLANNING A REUNION?

We can help – with advice, "seed" money, class lists, help finding missing classmates, mailing labels, etc. You will have a better, more satisfying and cost-efficient reunion by arranging for it yourself rather than using one of those reunion organizers. Contact us at Reunions@mepham.org.

P.S. We do not print information about reunions run by other organizations. If you want yours shown in our publications, we encourage you to plan your own. We really do give good help!

Farewell to a Dynamic Duo

Thomas Otto Gentsch '45, and Who's Who honoree for medicine in 1967, died on July 21, 2014, followed shortly by Betty Jane Foster Gentsch '47 on Sept. 11, 2014, after 61 years of marriage. Thomas and Betty, a registered nurse, were a team in every sense, responsible for treating thousands of patients from Miami to Appalachia to Africa – from open heart surgery to typhoid. Thomas, a cardiac surgeon, performed the first human heart transplant in the southeast U.S. at Miami Beach Hospital in 1969, just two years after South African cardiac surgeon Dr. Christian Barnard performed the first such operation in Cape Town, South Africa.

Dr. Gentsch, served in the Infantry and Medical Corp., U.S. Army 1945-46; received degrees from Yale, a residency in Thoracic Cardiovascular and General Surgery at Yale; was an Instructor in surgery at the Yale Medical School.

In 1952 he married his childhood sweetheart, Betty, who had just received her B.S. and nursing certification from Columbia Univ. With a shared passion and commitment to medicine, they moved to Miami in 1961, establishing a private practice in Cardiac and Thoracic Surgery. Tom held staff appointments at the Miami Heart Institute, Jackson Memorial Hospital, and South Miami Hospital and was actively involved in numerous professional organizations including the American Heart Assoc. and the American Assoc. of Thoracic Surgeons.

In 1988 Tom retired from private practice and he and Betty moved to Boone NC, delivering meals and counseling homebound residents in rural Appalachia. Beginning in 1981 they embarked on new adventures, doing medical mission work under primitive accommodations, operating rooms that ran on prayers and generators, and pore-clogging, sweaty hard work in Africa, providing surgical and nursing care in Cameroon, Madagascar, Sierra Leone, and the Democratic Republic of the Congo.

In 1999 they relocated to Issaquah WA and became involved with the community. They are survived by four sons, Tom, Richard, John, and David, and six grandchildren.

They were always proud of being graduates of Mepham and actually had a photo of the front of the school framed, on the wall at home until the day they died.

Board Member Update

Mikki Hannan Wilbert '51, reported on in last year's *Quarterdeck*, had successful surgery but couldn't manage being home alone and moved to assisted living. She is now an Emeritus. Friends can reach her at Bristol at Sayville, 129 Lakeland Ave. Suite 210, Sayville NY 11782; 631-750-4560.

Elaine McLachlan Sanders 41' has also moved to assisted living, making new friends, but would love to hear from her "old" ones: Sunrise, 1555 Glen Curtis Blvd, room 124, East Meadow NY 11554; 516-731-1399; JEMS1399@ao.com

Mephram events

For a "This was not the way I remember high school" moment, and a view of some of the activities at Mephram these days, google Mephram High School Lip Dub 2014. The students enthusiastically put on a great show. Here are some recent events:

2014 Mephram High School ALS Ice Bucket Challenge

Principal Mike Harrington, Eric Caballero Asst. Principal, Jennifer Carne, Asst. Principal, Cristopher Safina, Asst. Principal, Pat Mannion, Science Chairperson, Rosa Kaplan, LOTE Chairperson

Walk the Talk for Autism Speaks

Seniors in Kerry Dennis's and Christopher Patten's Participation in Government classes raised more than \$2,300 for awareness about autism and get petitions signed in an effort to pass legislation that will benefit those with autism.

It Can Wait Program

In recognition of National Teen Driver Safety Week, organized by the Bellmore-Merrick Community Parent Center,

ATT&T Regional Director of External Affairs Brandon Ray, Community Parent Center Director Wendy Tepfer, Mephram Asst. Principal Jennifer Carne, DA-Kathleen Rice, Mephram Principal Mike Harrington, Supt. John DeTomasso

Mephram administrators teamed with Nassau County District Attorney Kathleen Rice [now Congresswoman Rice] to host AT&T's "It Can Wait" assembly. There were statistics given about the dangers of texting while driving, a documentary *The Last Text* shown, testimonials from four groups of people who were personally devastated by a car accident caused by texting and driving. Students took turns in ATT&T's It Can Wait Texting and Driving Simulator.

Mephram senior Elizabeth Rosen trying to drive while texting.

Walk to Prevent Suicide

Peer leaders and members of the kickline and Key Club participated in the Out of the Darkness Walk to benefit the American Foundation for Suicide Prevention. Key Club advisor Theana Chellotes and Mephram senior Arielle Weinstein led the school's efforts.

Uncovering the Past

Once again Kerry Dennis arranged for her students to find out what school and community were like in an earlier time. On October 28 at the Uncovering the Past's Alumni Brunch 9 alumni were interviewed by 17 students. The some questions were: What it was like at Mephram and Bellmore-Merrick in the '30s and '40s? How did the Great Depression impact your family? What did you and your friends do for fun? How did WWII impact the community and how did Mephram impact it? What do you remember about Sanford H. Calhoun? etc.

note: If you graduated in the '40s or '50s and would like to participate next year, contact Kerry Dennis – kdennis@bellmore-merrick.k12.ny.us

Jerry Worthing '41, interviewed by Erica Woolfson, Danielle Antonacci, and Taylor Black

Outdoor Movie Night

Mephram's SADD chapter sponsored the first "Movie Night Under the Stars." Hundreds gathered on the new turf football field to watch "Grease." More than \$2,000 was raised for Most Valuable Kids, which helps bring underserved children to live cultural, sporting, and music events.

There's more, like: ELITE's program in NYC, "Walking in Holden Caulfield's Shoes; "Battle of the Class Night," Mephram STRONG Breakfast, and more. Today's students are an active bunch. Google Mephram High School to find out about all sorts of activities.

Meet the New Bellmore-Merrick Assistant Superintendent

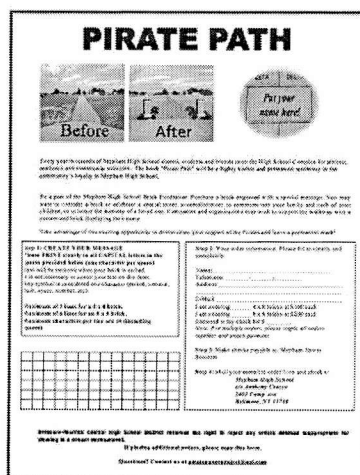

THANK YOU

We are so very grateful for the generous support we receive for the Association. Donors contributing \$50 or more by a couple are listed for each person.

FYI — Pirate Path Pavers

The Sports Boosters and the Mepham Athletic Department have initiated a project to make a brick "Pirate Path" from the to the . The Alumni Association has voted funds to have places a circle that will look like this:
