Editor's Note

A warm thank you to our retired Editor, Clare Eastwood Worthing and her husband Jerry, our retired webmaster and computer "Guru". Their oversight of both publications, Scuttlebutt and Quarterdeck, with dedication, commitment, and diligence, brought these journals a strong vision and a wealth of knowledge that has tremendously improved the visibility and impact of Mepham High School and the Alumni Association.

Throughout their stewardship, they have broadened the scope of the journals by adapting to the new emerging needs of the field while adding high resolution photos, and honest, warm reporting. Their work has not only enhanced the reputation of the publications, but they also helped create new programs for the students

We are very pleased Clare and Jerry are continuing their guidance, answering questions and submitting articles. On behalf of all Mepham alumni, we wish them the best of health and happiness in their retirement. Thank you both for your love and support of your publications and the Mepham Community, alumni and students alike.

It has been almost 29 years (1988-1989) since I was president of our Association and since then, I have tried to be of assistance where needed. Such is the case now with the loss of our previous editorial team and no transitional candidates in the wings. I apologize for the loss of some of the features and editorial polish seen previously. Special thanks to Alumni President Carol Kilgallin '72 for her leadership and to our new editorial team; Richard Friedman '67, Frank Setteducati '70, and Margaret Hennessy '45. An enormous amount of gratitude to Doug Mills of Printing Emporium, for his calming advice and technical assistance.

Mepham Principal Michael Harrington

Moving Up

Announced at the School Board, March 1, 2017, Michael was recommended as Assistant Superintendent for Curriculum, Instruction, and Assessment. He has been the successful principal of W.C. Mepham High School for nine years, beginning his career in the Bellmore Central High School District at Calhoun where he served as assistant principal for four years.

In a short space of time Michael Harrington has transformed the atmosphere in Mepham into a compassionate and caring school community, where every student has at least one adult they can go to, confide in, or get support from. He knows all the students by name and takes a genuine interest in them.

The immense "pirate pride" can be felt throughout the building on a daily basis. Every week is "spirit week." He initiates new activities and events. He has not only helped ensure a caring learning environment for his students, he has created a home for them as well. For the teachers, Mr. Harrington's support gives every teacher at Mepham the opportunity to provide their students with incredible learning experiences and lasting memories. He is seldom in his office, popping his head into classrooms asking teachers "do you need anything?" No task is too big or too small. He continually supports their ideas and encourages them to "dream big." For his secretary, Donna Schmitt, he has brought his youthful attitude, his determination to continue the unparalleled reputation of this great institution and the vision to create a student-centered environment. She finds him to be one of the most genuine people she knows.

He constantly attends all of the various athletic, academic, and extra-curricular events which are forever happening. He is extremely encouraging and brings a special "new millennium" feel to the building. In the words of the students who have consistently voted him "Most Inspirational Faculty Member", "He gets it." For the Alumni Association, we feel Mike is a true partner in keeping Mepham as special as it was to us when we attended this school. Mike is a proud family man to his wife Michelle and his children Thomas James and Kelly Ryan.

Where We Have Moved To By State

By using the approximately 18,000 address Alumni Data Base, we can get a general idea of where we have moved in the United States. We must be careful of what the data means, however. The statistics compiled can only be a reflection of our slant on the data (i.e. we don't have everyone who ever graduated but only our small sample.) With that said, let's look at the data we do have; We (our Alumni) have basically stayed local with a little over 68 percent still in New York State and 61 percent in Nassau County. Surprisingly, almost 39 percent still live in the Bellmore - Merricks (34 and 5.7 percent individually.) We have provided the individual data by state below:

2017 Who's Who and Meritorious Service Awards

**To be presented at Spring Luncheon, Sunday, April 30, 2017
(See form on page 6 to make reservations)**

Who's Who Hall of Fame

The Who's Who program was originally instituted by the Bellmore-Merrick Central High School Board of Education. In 1987, the Alumni Association reestablished the program, which recognizes and honors graduates who have made significant accomplishments in their field of work and service to the community.

Dr. Mark Mobius, the only 2017, Who's Who selection, was a member of the class of 1954. A true giant in the field of

Economics and Finance, Mark Mobius emerged from Mepham HS in 1954 having participated in many clubs and sports with a desire to learn and better himself. In college, he distinguished himself with honors and went on to achieve advanced degrees in Mass Communication, Political Science, Social Psychology, and a PhD in Economics from M.I.T.

Dr. Mobius specialized in the field of international emerging markets and finance. As Executive Chairman of Templeton Emerging Markets with over 40 years of experience in world markets he also became president of International Investment Trust Co. of Taiwan, the country's first and largest investment management firm. Dr. Mobius was also appointed Joint Chairman of the World Bank and Organization for Economic Cooperation and Development.

He is funding up to two \$10,000 scholarships this year to deserving Mepham graduating seniors who desire to further their education and train in careers in the arts-music, dance, painting, sculpture, writing, graphic design, and music. Dr. Mobius has also made very generous contributions to the Class of 1954 Library Fund. Mark was nominated for the Who's Who Award by "Lance" Blackshaw, Class of 1966.

By David Krinsky

For a nomination form, please see the link at <http://mepham.org/whoswho-nomination.pdf> . (2016-2017 Who's Who Selection Committee: Richard Friedman '67, Kevin Gallagher '79, David Krinsky '67, Roy Probeyahn '56, Brian Levy '60 Chair)

Meritorious Service Awards

This award is given with appreciation and recognition of those who have given outstanding service and dedication to the Alumni Association and W.C Mepham High School.

Three Meritorious Service Awards will be presented in 2017:

Michael Barone, Class of 1983:

Mike served on our Board of Directors for several years, until his career moved him out of state. During his tenure, in 2003 he developed the Alumni Wrestler's Dinner to coincide with the Sprig Gardner Wrestling Tournament each December.

Uniting wrestlers coached by Sprig, Ken Hunte, John Walter, and Mike Muscara, they gather annually to share fond memories of their years at Mepham and, more importantly, how the sport has shaped their lives. The event inspired him to develop the Alumni Wrestler's Scholar Award, given each June to a qualifying senior. Funded entirely by the alumni wrestlers, Mike has raised over \$30,000. which has been designated to fund the award for at least 25 years!

Even since his relocation and retirement from the Board, Mike continues to coordinate the event each year, providing inspiration and encouragement to current wrestlers and other alumni.

By Frank Setteducati

Mark Plostock, Class of 1966:

Mark is a successful CPA who has been volunteering to prepare the Mepham Alumni Association's tax returns for many years – at no charge. He guides the association in dealings with the IRS as well as suggesting technology that lightens the work of the board members.

Mark is never too busy to provide advice to the alumni board, as he recently advised us in the transition to update our website. Even though Mark has moved to Virginia, he still provides his support, electronically. Thank you, Mark, for believing in the mission of the Mepham Alumni Association and helping us carry it through.

By Carol Kilgallin

Shari Schneiderman Stack, Class of 1998, Mepham Librarian 2006- Present

Shari is more than Mepham's librarian. She is a problem solver, the go-to person when you have a technology question. Shari makes it a point to stay up to date with and bring the latest tools to the classroom back to Mepham.

Shari works tirelessly to preserve the schools 79 year history. Forging a strong relationship with the Alumni Association, Shari has worked closely with them to enhance the resources available and also to provide valuable advice in the library restoration project. She has also played an integral role preserving the history of Mepham through her work conducting interviews that included graduates dating back to the 1940s
