

Quarterdeck

Spring 2018

W. C. Mepham High School Alumni Association • North Bellmore • NY

President's Message

There seem to be many changes in our world these days, and sometimes it is difficult to adjust to transformation, innovation, or anything else that seems unfamiliar to us.

The board members of the Mepham Alumni Association know the feeling well, as we have been brought through a transformation of the association. We can now communicate with our alumni via the website or e-mails (**PLEASE SEND US YOUR E-MAIL ADDRESS IF YOU WOULD LIKE US TO COMMUNICATE WITH YOU ELECTRONICALLY**); we streamlined the processing of memberships and donations; and with a little more work, we will have a modernized website and an up-dated database. Thank you to the team of board members who were willing to learn new things and bring us into the twenty-first century.

Despite all of our "technology," we will certainly be happy to continue sending information (e.g. The Quarterdeck) to alumni who prefer to use the United States Postal Service. All of our alumni members are important to us, so we would like to stay in touch with all of you. Unfortunately, at this time, we are unable to publish The *Scuttlebutt* which I know was a favorite. It is a lengthy publication that requires more alumni volunteers than we have right now.

2017 was a year of advancement for our organization and support for our beloved Mepham High School. We were happy to support the students by awarding senior scholarships, contributing to the Elite program, and participating in charity fundraisers organized by teacher- advisors and students. It has been a pleasure to work with our new principal, Mr. Gomez, and his wonderful staff.

Thank you, alumni, for your generosity in making our work possible. We wouldn't be able to do it without you.

Regards,
Carol Farina Kilgallin '72

Rough Seas for the Alumni Pirate Ship All Hands on Deck... NOW!

Our association has been constantly evolving since the last 1970's. We've gone from 3x5 file cards to a computerized database, an extensive website including online registration and two annual publications. There's also the routine, mundane activities which includes banking, bookkeeping and accounting, promotion and publicity, and administration of scholar awards (to name just some...). This has all been done through the efforts of volunteers, with minimal "outside" assistance. The Board's priority has been to outsource as little of this as was necessary, so that your generous donations would have optimum benefit to the Mephram community.

A look at the masthead is evidence that participation is waning; the number of board members is at an all-time low and, while we have been able to attract some new (and younger) alumni, there is just so much a handful of people can do.

Demographics dictate that we change with the times; we cut costly printed publications back to just an annual Quarterdeck choosing (wisely, we feel) to invest the money into a more interactive website to meet the increasing demand for online donation capability by our younger alumni. More important, however, is that we lack the volunteers to help produce the *Scuttlebutt* magazine and other creative tasks.

We are in dire need of local alumni to take on the business chores necessary to sustain us. This involves mail runs to the school, several trips per month to the bank, and attendance of eight to ten meetings per year.

There's a lot that can be done electronically from afar. Our plan is to make *Scuttlebutt* (or a similar publication) available online. We need people with the skills and interest to develop and contribute to it. "Facebook" and "Twitter" are huge, untapped resources for us as well, but once again, we need volunteers to step in and help make it happen!

Come to a meeting, join our efforts!

Reach out to us via email (pres@mephramalumni.com).

The "ME" in Mephram should be YOU! Let us know how you think you can help. This is a great organization that has accomplished a great deal and we would hate to see it fade away!

From the Principal's Desk

As I reflect on the last 4 months as Mepham's new Principal, I can't help but think how fortunate I am to work in a school that receives endless support from its community and alumni. Additionally, the pride that students, staff and faculty exhibit daily reminds me that Mepham is truly a special place.

As the 'new guy', I've been met with tremendous encouragement from students, parents, faculty, and alumni. Collectively, we've been able to promote a culture that continues to foster respect, kindness, scholarship, athleticism, and pride. As you know, I can't do this work alone and thank everyone for their continued support of our programs.

In preparing for this school year, I reviewed the outstanding academic accomplishments of our students. It was no surprise that they continue to perform well in their classes, on State and AP exams, and develop the skills necessary to succeed in a post-secondary environment. Our administrative team works very closely with teachers to ensure that they continue to provide students with unique experiences in and out of the classroom. Teachers also build upon students' strengths to develop successful and memorable learning opportunities.

Our athletic program offers students a variety of competitive after-school options. In fact, this past season, ALL of our teams achieved the honor of being designated Scholar-Athlete teams by New York State. Earlier this year we celebrated our 80th Anniversary with a Pirate Fest for children, Pep Rally, Bon-Fire and football game. The stands were filled with maroon and massive Pirate pride.

Our Arts program continues to expand and provide students with unique opportunities to channel their talent through music, theater, and art. Other notable programs include BMB (Bellmore-Merrick Broadcasting), which provides students with the chance to explore and enhance their film editing and communication skills in the district's state-of-the-art broadcast studio. Also, in partnership with the Alumni Association, ELITE (Enriching Learners in Tomorrow's Education) encourages students to follow their interests and explore topics beyond the classroom by offering afterschool enrichment opportunities taught by Mepham teachers. Just this year, our teachers have facilitated a wide variety of ELITE events that covered a variety of topics and interests.

They included:

- Brainstorming the College Essay
- Fall Planting in our Courtyard
- Hispanic Culture
- Out of the Darkness Walk
- Paint Your Own Sugar Skull
- Holiday Card Design for Mercy Haven
- Book Review
- Scavenger Hunt in NYC
- Fetal Pig Dissection

In addition to the various sports and clubs available to students, parents/guardians are continually engaged in the school program and encouraged to participate in our parent organizations including the PTA, SEPTA, the Fine and Performing Arts Parent Association, and Sports Boosters. Such groups allow us to enhance the collaboration between school and home and ensure that our programs continue to grow.

A special thanks to Carol Kilgallin and the Alumni Association for their warm welcome and constant support. It is evident that the relationship among our alumni, students, and our faculty is a strong one that we hope continues to flourish. It is truly a pleasure to work with the Alumni Association who cares deeply for Mepham, our community, and most importantly, our students. I look forward to building our relationship for many years to come.

Eric Gomez, Principal

Obituary *William E Sandie, Class of 1955*

Of Wantagh, LI, on February 10, 2018. Beloved father of Kimber Lee Sandie. Cherished former husband of Doris Sandie. Loving brother of Evelyn, Robert, Ruth, and Ellen. Bill, Mepham Class of 1955, had a passion for sports playing for Mepham High School lettering in football and wrestling, also played football at the University of Miami and ended his athletic career playing for the New York Jets. As a Mepham Scholar Athlete he won the Thorp Award, (The Thorp Award, which goes to the outstanding high school football player in Nassau County, is presented annually by Newsday in memory of Tom Thorp) had his #19 Jersey retired here at Mepham and also was a LI Wrestling Champion in 1954.

As reported by Newsday.

Mepham Alumni Bring History to Life for Current Students

"Uncovering the Past" is a history elective sponsored by the Gilder Lehrman Institute of American History, which has been offered to students in the Bellmore-Merrick CHSD since 2009. This is the final course in the series which is generally taken by students in the fall semester of their senior year. Upon completion of the three courses, students graduate with a Gilder Lehrman scholar distinction. The objective of this course is to teach students how to conduct historical research by developing their skills of analysis and research.

Social Studies teacher Kerry Dennis has been teaching this course since its onset and has always sought to bring their search to life for the students. To do so, Dennis has students' research what they know best, Mepham. To supplement the students' research, alumni are invited to sit with the students and recount their days at Mepham High School. The students listen closely and transcribe these oral histories as to include them in their final project. Guests included Maggie Hennessey, Class of 1945; Roy Probeyahn, Class of 1956; Dr. David Krinsky, Class of 1967; Karen Ponton, Class of 1983; Mepham librarian, Shari Stack, Class of 1998

and Mepham special education teacher Anthony Augugliaro, Class of 2009. As the students uncover the rich history of Mepham High School and the Bellmore community, they realize that there is much more to their school and suddenly being a Mepham Pirate is something even more special. If any alumni are interested in the "Mepham Project", reach out to Kerry Dennis- kdennis@bellmore-merrick.k12.ny.us

Having a BALL with current and former Lady Pirates

Most people spend the day after Thanksgiving doing either of two things; "Black Friday" shopping or recovering from their food hangover. That is, everyone except Coach Mulvey and the Lady Pirates squad. The reigning Conference III champions, who completed the 2017 regular season 12-0, play by the motto that hard work knows no off days. These girls were running the court early in the morning in preparation for the big season ahead. But it isn't all work and no play for this team. Over the past couple of years, head varsity coach, Jim Mulvey, has added a special treat to the post-Thanksgiving Day practice. Alumnae of the Lady Pirates basketball program are invited to play on the court that they once called their "home." On November 24, 2017, eleven former players were welcomed back and they picked up where they left off (or at least attempted to). The alums competed against the current players in a handful of shooting games and the morning ended with the alumnae competing against one another in a full-court, 5 v. 5 game. If any former Lady Pirates are interested in getting back on the court for the 2018 alumnae game, reach out to Jim Mulvey- mephamhoops@yahoo.com.

Reunions

Mephram's **Class of 1967** held it's 50th anniversary reunion on the night of Saturday, July 15th, 2017 at the LI Marriot-Uniondale. On Friday evening the weekend festivities began with upwards of 50 early arriving alums and locals gathering in the hotel bar. The "hello's, how've you been," and all kinds of reminiscences were off to a flying start!

On Saturday night over 130 alums, several spouses, significant others and faculty guest Paul Limmer met in the hotel's Grand Ballroom. For over four hours, and backed up with a superb buffet dinner, open bar, and DJ music (from back-in-the-day, of course) attendees mingled freely rekindling old friendships and memories. It was a wonderful evening!

Bellmore Couple of the Year

*Gloria Dinger Chapman ('43)
and husband Charlie*

For 20 years, two bedrocks of the Freeport Interfaith Nutrition Network soup kitchen have spent every Tuesday, without fail, helping Nassau County's needy. And even at 91 and 92, respectively, Charlie and Gloria Chapman, of Bellmore, told the Herald recently that they have no plans to stop volunteering any time soon.

In addition to holding several positions with the Mephram Alumni Association for over 30 years, the Chapmans started volunteering at the soup kitchen roughly two decades ago, after Gloria joined their daughter, Susan Giannone, then a Nassau County police officer, to help out one afternoon. "She had her uniform on, and that wasn't too popular with some of the people," Gloria recalled.

Gloria and Charlie retired in the late 1980s, and spent several years "trekking all over" the United States and Europe, where, they said, their favorite places were Spain and Gibraltar, and one of their favorite activities was meeting people.

With their daughter, (Susan), living in Florida now, retired and doing some traveling of her own, and many of their old friends no longer alive, the Chapmans find plenty of warmth and companionship in their work at the INN, where they said they have been able to see the effects of their volunteering.

2018 Who's Who and Meritorious Service Awards

Awarded at Spring Luncheon, April 29, 2018 at The Nook Restaurant, Wantagh

Who's Who Hall of Fame

The Who's Who program was originally instituted by the Bellmore-Merrick Central High School Board of Education. In 1987, the Alumni Association reestablished the program, which recognizes and honors graduates who have made significant accomplishments in their field of work and service to the community.

Jerry Manne Class of 1954, holds a B. A. degree in history and economics from Dartmouth College and a M. B. A. degree in finance from the Northwestern University School of Business. Since 1967 Jerry has been a full member of the Chicago Board of Trade (CBOT), one of the world's oldest and most prestigious futures exchanges/markets, where he had a long and highly successful career which flourished in the risk/rewards complexities of buying & selling commodities & investments.

Jerry's volunteer service and community activities have been numerous. He and his wife, Sandy, have been leading figures in and gained recognition for their advocacy for animal conservation of endangered species. Jerry was nominated by "Lance" Blackshaw, Class of 1966.

Roderick E. Ritterbusch Class of 1961, holds a B. S. degree in electrical engineering from U. Mass. Engineering School and a Master's Degree in Engineering Admin from George Washington University. After a 4 year stint with the US Navy, Rod was offered the position of a Civilian Engineer, supervising Navy related projects. Rod received the Department of Defense Meritorious Service Medal for his contributions over a 34-year career.

Rod's volunteer service and community service include managing a multi church youth touring choir, "Maranatha Touring Choir" as well as starting a "Royal Ranger" Boy Scout equivalent program in his church. Rod was nominated by his sister Margaret Ritterbusch Oliva, class of 1957, with much support from his wife, Kathy McLaren Ritterbusch (1961)

Mobius Scholar Award Update:

Mark Mobius (Who's Who 2017) will continue his generosity establishing (2) Mephram Entrepreneurship Grants awards as well as (2) additional Mobius Arts Scholarships for a total award of \$40,000 this year.

Meritorious Service Awards

This award is given with appreciation and recognition of those who have given outstanding service and dedication to the Alumni Association and W.C. Mephram High School.

Donna Schmitt - Longtime Secretary to many W.C. Mephram Principals
