Historic Mephram Foyer Restoration

View with Trophy Cases

The current students of Mephram High School get to do something every single day that many of us alums were never allowed to do, even possibly forbidden. As part of the district wide initiative to strengthen the security of the buildings and grounds, Principal Eric Gomez has reimagined the official entrance of the school. As you drive down Camp Avenue, you will now see all students, faculty and staff entering the building where the stately clock tower sits and the large block letters exclaim "W.C. Mephram High School." Those on the outside looking in would not think twice about this because they believed this to always be the official entrance of the school. But for us alums, this entrance has always been a facade, evoking curiosity and mystery.

Even more so mystical is the foyer. Again, the current student body gets to enter the foyer each day as they make their way to their classes. Perhaps the most foot traffic that the foyer has ever seen, the deterioration of the beauty that is the intricacies of the foyer have come into full view. Specifically, the detailed ceiling is in need of TLC (tender, love and care). In an effort to maintain the beauty of the foyer and the history of the school, we ask that you please consider making a monetary contribution to this restoration project. Our alumni proudly came together and supported the restoration of the Long Island map on the wall of the auditorium, so we hope to have our alums help us again!

President's Message

As a former English teacher, I have noticed over the years, that more and more people don't take the time to read anything that is longer than two paragraphs. My President's Message will be short.

Our beloved "Rotunda" (lobby) will have a restoration in the near future. The walls will be painted (garnet and possibly some gray) and the ceiling will be repaired. We are happy to be among those who sent a donation.

Recently we have been contacted by our alumni members asking why they have not received the Scuttlebutt or the Quarterdeck. We no longer publish the Scuttlebutt because we don't have enough volunteers to work on it. The Quarterdeck was mailed late because we also didn't have the resources. Our previous president, Frank Setteducati, and I have pleaded in Presidential Messages in recent years for alumni to step up so we can sustain this organization. We had very little response. The eight active volunteer board members and three volunteers who help us once in awhile cannot do it all.

Thank you, alumni, for your donations that help the students of Mepham High School and also restore our beautiful building.

Regards,

Carol Farina Kilgallin '72

Doris M Christmann, Director

Doris M Christmann, Class of 1965, passed away, December 3, 2018. Doris served the Mepham Alumni Association as a Director for many years and was chairperson of the annual "All Class Picnic" in the Park. Many Board members remember she would be first on line each year to receive the Wantagh Park permit, assuring us of a "good spot." Doris lived on Oak St with her sister and enjoyed Church activities along with her Alumni Service. Doris was very proud to receive the Mepham Alumni Meritorious Service Award in 2018, just months before her passing.

From the Principal's Desk

The 2018-2019 school year has progressed quickly and with much success! Our students developed academically, artistically, and athletically while remaining committed to our community and fostering service. This year, the focus is on maintaining a positive outlook to ensure positive outcomes! Accordingly, we continue to look ahead with optimism to help students achieve their best.

In preparing for this school year, I reviewed the various academic accomplishments of our students. Once again, they exceeded our expectations in all areas. In fact, all of our athletic teams achieved the honor of being designated Scholar-Athlete teams by New York State. Mepham's arts program continued to expand and provided students with distinct opportunities to highlight their talent in various areas. Skull and Bones' (Drama Club) performances of the "Laramie Project," "In the Heights," "Up the Down Staircase," along with Open Mic Night, our concerts, and the Spring Arts show are just a few examples of how our students thrived in the visual and performing arts. In addition, students in our Bellmore-Merrick Broadcasting (BMB) program continued to display their talent by producing many creative video packages. They covered numerous events including games, concerts, and other special programs. Please take a moment to view all of the videos on their YouTube Channel, BMBroadcasting.

With the support of our loyal Alumni Association, many ELITE events are organized by our teachers to help students with varied interests explore countless topics. From jewelry making to scavenger hunts in NYC, ELITE provide students with opportunities to develop various skills while making new friends in a comfortable setting.

Mepham, along with the other schools in the district, is now a "No Place for Hate" school. The No Place for Hate initiative is a school climate improvement framework that provides schools with guidelines for combating bias, bullying, and hatred while maintaining a positive school climate. Several events were coordinated to evolve our No Place for Hate program. Italian Culture Night, Middle Eastern/South Asian Culture Night, TEDx, and our first LGBT+ Night, all provided students and families with the opportunity to learn more about various groups through fun activities, speakers, and presentations.

Earlier this school year, as part of their Senior Service Learning Project, the Class of 2019 organized Mepham's 4th Flag Field of Honor. All proceeds benefited Homes for Heroes; an organization dedicated to providing mortgage-free homes for our Veterans. In November, Retired U.S. Navy Petty Officer, Ryan Shannon, received his mortgage-free home on behalf of Mepham High School and Building Homes for Heroes. Mr. Shannon visited Mepham in December to spend the day with our students and thank them for all of their generosity. His story was engaging and truly heartfelt!

These are just a few examples of the many activities that students can participate in to help them feel a sense of pride and school connectedness. Collectively, we promote a culture that continues to foster respect, kindness, scholarship, athleticism, and positivity. As you know, I cannot do this work alone and thank everyone for their support of our programs. It proves that the level of commitment our administration, faculty, alumni and families provide to the students, ensures that the students remain focused and diligent with their responsibilities. I wholeheartedly appreciate Mrs. Carol Kilgallin and the Alumni Association for their continued support. It is a pleasure to work with such dedicated alumni who care so deeply for Mepham, our community, and our students.

Sincerely,
Eric Gómez, Principal

Obituaries

Charles Nastasi, Class of 1946, passed away on Dec. 22, 2018, ten days after his 91st birthday. Charlie lived in Bellmore all his life until 1979 when Grumman Aerospace transferred him to California. He served with the US occupational forces of Japan after WWII. Everyone knew him and his brother Sam from the Barber Shop on Grand Avenue. Charlie's folks lived across from the Aiello's on Linden Street. Charlie loved to send articles regarding old time Bellmore to Clare Worthing, former editor of the Alumni Quarterdeck and Scuttlebutt. Charlie is survived by his wife, Nancy Blaner Nastasi, Class of 1949, as well as 2 children and 4 grandchildren.

Kenneth Lindell, Class of 1946, who passed away March 4, 2018, always held a special place for Mepham High School in his heart. Ken was raised in Merrick and enjoyed time on the water and the W.C. Mepham wrestling program. After Mepham he graduated from Washington and Lee University and went on to have a successful business career. He married Mary Maguire of Long Island and raised a family; surviving children; Laura, Michael, Kenneth and Kristen, Megan and Michael Capozzi along with 8 grandchildren.

Jan Wilgenkamp '56 We had to "stop the presses" to include the sad news of his passing. Educator, entrepreneur, and actor, Jan could always be counted upon for his assistance to our Alma Mater for our choral reunions. Survived by first wife, Margaret Hopkins '57 and children Chris, Paul, Steven and Laurie he is also survived by wife Maureen and her children and their extended families. His melodious voice, talent and sense of humor will be missed! Additional details can be found on our website.

Mepham's New Broadcasting Studio

3, 2, 1... ACTION!

In the spring of 2018, the Board of Directors of the Alumni Association were given a tour of the Bellmore-Merrick Broadcast Studio, which is housed at Mepham High School. What served as the Home and Careers classroom in the past, has been brilliantly transformed into a state of the art broadcast studio. Eighth grade students, who are zoned to attend Calhoun, Kennedy and Mepham, apply to be part of this four year major in broadcast communications. Once accepted into the program, the students take classes, led by Stu Stein, who has been a beloved Social Studies teacher at Mepham for close to twenty years and now returns to his roots, where he worked in the television industry and taught film and TV at the high school level. The students learn all aspects of broadcasting; from pre-production, all the way through post production. They produce morning announcements, as well as provide coverage of the live sporting events and other school sponsored activities. This magnet program began in 2016 and it's first two years accepted 16 students per year. The program now looks to add 25 students per year, as student interest has increased. Follow the program on Youtube at BMBroadcasting. Interested in getting a first-hand look at this experiential learning opportunity that the students of Mepham get today? Schedule a tour of the Broadcasting Studio by contacting pres@mephamalumni.org.

Notes From The Editor

I apologize for the delay of this issue. We were reminded that "Going Green" is not "black and white". We are however, quite proud of this issue, given another two articles by Jenna Cavuto ('10), providing us a detailed glimpse of Mepham Life today. Jenna's "Mepham's New Broadcasting Studio" and "Historic Mepham Foyer Restoration" articles link the past with the need for monetary support for Mepham's new projects.

Speaking of monetary support, this issue, (once again) lists over 800 names whose generous donations help provide scholarships to Mepham students and also restore Mepham's infrastructure.

A time for caution: Up to the present issue, we always sent a copy of the Quarterdeck to everyone who was listed on our data base. Now however, we must cut the number of issues sent out. Please look at your mailing label to give you an idea of the last time you sent a (paid) donation. We will however, place a copy of the Quarterdeck on our web site, for all to read, www.mephamalumni.org. At the same time, we are lowering the minimum donation requested on the membership form to \$15.00. This should help more people reach the "Paid" status so they can keep receiving their Quarterdeck.

In closing, I would like to thank our editorial Board for your articles and proofing and a special thank you to our President, Carol Kilgallin '72 for her leadership over 12 years!! We certainly owe Carol an enormous amount of gratitude, leading us through this transitional period. Let me close with a big thank you to Doug Mills and his staff at Printing Emporium for their guidance and expertise.

Who's Who Update

Unfortunately, we did not receive any Who's Who applications last year (2018). The Who's Who Committee, Richard Friedman, Kevin Gallagher, David Krinsky, Brian Levy and Roy Probeyahn, would love to have applications to review for this year, 2019.

The Who's Who Hall of Fame program was originally instituted by the Bellmore-Merrick Central High School Board of Education. In 1987, the Alumni Association reestablished the program, which recognizes and honors graduates who have made significant accomplishments in their field of work and service to the community. There now are over 150 graduates in the Hall of Fame!

We are sure there are plenty of alumni that would meet the above criteria and urge you to send for detailed instructions with an application. The one caveat is that a candidate's graduation date has to be 10 years before filing. Either "check-off" the Who's Who box on the (Page 11) membership form or e-mail your name, address and graduation date, to whoswho@www.mephamalumni.org

Thank You

We are very grateful for the generous support we receive for the Association. Donors contributing \$50 or more by a couple are listed for each person. Included are donations received during the 2018-2019 years.
