W. C. Mepham High School Alumni Association • North Bellmore, NY • 2022

Changes at the Helm!

Congratulations to principal Eric Gomez who has been appointed as the district's Assistant Superintendent for Personnel and Administration.

Mr. Gomez came to Bellmore-Merrick Central High School District in the fall of 2010 and began his Bellmore-Merrick career as the assistant principal of Grand Avenue Middle School. He moved

to Calhoun High School as assistant principal of Guidance in 2011. In 2017 he began his tenure as principal of Mepham High School.

The Alumni Association thanks Eric for all the help he has given to Mepham as well as the Alumni Association. His theme, A Positive Outlook achieves Positive Results, certainly held true leading to the great improvements to the school, the Mepham Community and to the Alumni. His last Quarterdeck article describing "Positive Outlook-Positive Results" was so helpful during last year's plea for Alumni donations. We certainly had a record response.

Eric is very proud of the graduating class of 2022!

According to Eric, "The Mepham Class of 2022 is a special group of young men and women. They are bright, kind, creative, outgoing, and have certainly learned how to "think outside the box" these last few years. Among this group of graduates are:

- 181 National Honor Society members
- 56 NYS Seal of Biliteracy recipients
- 29 Student Athletes who have committed to playing in college
- 119 distinct award recipients who were honored at the Senior Awards Ceremony
- 11 Gilder Lehrman Scholars
- 8 AP Capstone Diploma Recipients
- 25 Career and Technical Education graduates (Cosmetology, Barry Tech, GC Tech, and the Bellmore-Merrick Electrical Training Program)

In addition, this class has been awarded over \$44 million dollars in scholarships and will attend some of the finest colleges in the country. This is the first year in a long time that students have been accepted to several Ivy League schools including:

- Harvard University
- Stanford University
- Columbia University
- University of Pennsylvania
- Yale University
- Cornell University

New Mepham Principal

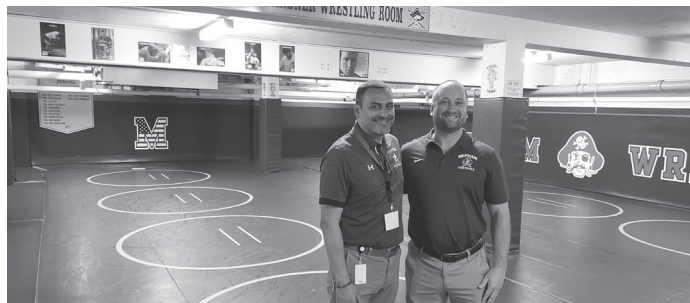

Mr. Anthony DeMartinis, formerly an assistant principal at Calhoun High School, has been appointed as the incoming principal of Mepham High School.

During the past three years DeMartinis has served as the assistant principal for Guidance at Calhoun High School.

Mr. DeMartinis received his Bachelor of Science in Criminal Justice at SUNY Albany and then went to Long Island University for his Master of Science in School Counseling. His Advanced Certificate in Educational Leadership was also achieved at Long Island University. Anthony's counseling experiences have been vast and include school-based leadership assignments as well as district-wide committee service.

"I am truly humbled and excited to join the Mepham community as their principal. I look forward to connecting with the students, parents, and staff as we continue to provide outstanding opportunities for the students of Mepham to learn and grow."

The Alumni Association welcomes Anthony and thanks him and Mr. Gomez for leading a "welcome back" reunion tour of Mepham for the Classes of 1960, 1961 & 1962, Saturday, July 9, 2022. See picture below.

President's Message

I hope everyone is doing well. I thought I would start by telling you a bit about myself. Being born and raised in Bellmore, I attended Martin Avenue Elementary School, Jerusalem Avenue, which at the time was a Junior High School for grades 7-9. I then went on to W. C. Mepham High School where I graduated in 1975. Like all of you, I have many fond memories of my years at Mepham. I married in 1991 and in 1993 my daughter Shannon was born. In 2001 Shannon was going into 3rd Grade, Martin Avenue reopened, boundary lines changed, and Shannon went from Newbridge Road to Martin Avenue. I got involved in PTA, which I never thought I would be involved in, as Recording Secretary. Little did I know this was only the beginning. After my two-year term was over, our President Nina Lanci became a member of the North Bellmore Board of Education, and I became PTA President at Martin for 2 years. Nina was instrumental in getting our PTA off the ground and I had a large pair of shoes to fill. From there I went on to be Co-President at Grand Avenue, Mepham, and Bellmore-Merrick Council of PTAs. Now years later here I am again having to fill another large pair of shoes. I am sad to say that after 14 years Carol Kilgallin has decided to step down as President of the Alumni Association. Carol has done an amazing job in leading the alumni over the past 14 years as well as being a great mentor for me. She will be moving to the position of Vice-President where she can assist me with her wealth of knowledge.

The saying "Once a Pirate, Always a Pirate" is so true. The Alumni Association and Board of Directors need volunteers. Over the years we have gone from a group of approximately twenty alumni down to five. We are looking for volunteers to attend monthly meetings, via Zoom and are willing to fill positions on the board and as officers. The association meets from September to June on the third Tuesday of each month at 7:30 PM via Zoom. If anyone is interested in volunteering and becoming a member of the Board of Directors or an officer, kindly email me at Katherine@mephamalumni.org.

I look forward to working with our alumni and we thank you for your generosity. Your tremendous support sending your checks and on-line donations through our Website during these Covid years, allows us to support the Senior Awards, programs, and other various projects for the students of Mepham.

Thank you!

Be well and stay safe!

Bob Bury Mephram 1949

(William) Robert “Bob” passed away Tuesday, March 15, 2022. Bob was born on October 29, 1929 in Farmingdale and grew up in Bellmore, NY. He is survived by his wife of 66 years Elinor Schmidt Bury (Mephram 1949). He was preceded in death by their daughter Patricia Ann in 1988. Bob graduated from Mephram High School where he achieved All-American

Honors in wrestling and football. He then attended Syracuse University where he majored in physical education and graduated with a degree in Phys Ed. He again achieved All American Honors in wrestling throughout his career. Bob started his physical education career at Merrick Avenue Junior High and a few years later at Calhoun High School. Bob’s passion for wrestling continued as head coach for Calhoun that produced multiple national, state, county, and Division Champions. His love for wrestling involved coaching not only his high school wrestlers but many throughout Long Island. He was very inspirational to many and was still wrestling on the mats well into his late 70’s. After he retired, he was inducted into the National Wrestling Hall of Fame. Bob was known for his toughness, hard work, and ethics and some referred to him as “Popeye.” Multiple stories circulated through the wrestling community that he had no stairs in his house and made his sons climb

ropes and wrestle off for meals. Bob is survived by his three sons and their families: William, granddaughter Bella; Robert, granddaughter Taylor (with his late wife Cheryl) and his wife Elizabeth her three children Katherine, Megan, and Adam; Richard and his wife Laura; 2 step granddaughters Melissa Hameier (Kurt and his daughter Allison), great grandson Kieran and his wife Toni; Diana Everett (Corey), great grandson Ben, and many nieces and nephews. Bob was predeceased by his two brothers Gerard (Mephram 1949) and Ronald (Mephram 1959) and his sister Doris Hopper.

Caroling - The Tradition Continues

After a covid hiatus in 2020, the school’s premier choral group, MephAcapella (led by director Christina Dimitriou) returned to Circle Drive on Friday, December 10, 2021 for caroling and cocoa! Once again, continuing a tradition which began around 1980, they were joined by a group of alumni.

Caroling on “the Drive” began in the late 1940’s while the school’s choruses were under the direction of H. Walton Alderfer, followed for a decade through the mid 1970’s when Edwin E. (Ted) Snyder took his place. The string of choral directors since then has carried on the tradition. Following the first choral reunion/testimonial concert for Mr. Alderfer in 1979 (which led the impetus for the current Alumni Association), alumni began joining the students to lend their voices and spirit. In recent memory, only covid and a blizzard have caused cancellation of the event.

Caroling takes place at 7:00 PM on the second Friday of December; the date for 2022 is December 9th. The generous and welcoming Circle Drive residents always have cocoa and donuts on hand. Mark your calendars, set a reminder- and come help carry on this 70+ year tradition!

By Frank Setteducati (’70) - As an Alumni Board member for over 35 years, Frank served as Alumni President from 1999-2005. In addition to his Meritorious Service Award, Frank has been a Quarterdeck Staff Writer and an Assistant Editor. He is most proud to work with Gemma Peluso Bienz, ’70, helping to maintain the 70 year tradition of Caroling at Circle Drive.

If you’d like to be on Gemma’s email list to get a reminder, let her know! Email: travelwithjoy@optonline.net

2022 Who's Who Awards

Vincent R. "Bob" Ferrigno, Class of 1954

Field of Endeavor: Small Business
Entrepreneur and Philanthropy

After high school graduation, Bob attended Hofstra University and took business courses. He had a hugely successful career as a developer in a business that specialized in the design and manufacture of HVAC and refrigeration systems. Upon retirement, he and

his wife, Linda, answered a calling to assist and serve the needs of people from all walks of life far less fortunate than they were. Bob's financial success enabled them to embark on a path of philanthropy and caring that had a great impact on people inside and outside their Jacksonville, FL, community.

Bob's business acumen included military (Marines) where he served as an embarkation logistic manager and then set up a small manufacturing company and also later on worked at Grumman Aircraft in the purchasing dept.

Bob's volunteer service began in the Jacksonville Homeless Center where he helped cook meals for ten years. Bob and Linda worked with the Cathedral Gerontology Center and the Baptist Health facility in Jacksonville. He and his wife are the sole founders of four endowments projects. Bob has also been honored in various publications.
